SEPTEMBER 06 INTERPRETIVE CALENDAR

SANDY POINT STATE RESERVATION

Program descriptions:

- **Tuesdays September 19th & 26th: Tide-pooling for Moms and Tots - 11:00 am to 12:00 pm, Meet at Parking Lot 1.** For Moms and their little ones. Join the Park Interpreter for a hands on educational and fun tide-pooling experience. Buckets and nets supplied.
- **Tuesday and Wednesday, September 19th & 20th: Tide-pooling - 3:00 pm-4:00 pm, Meet at Parking Lot 1.** For all ages. Join the Park Interpreter as we explore the unique creatures found in our spectacular tide-pools! Learn about their challenges and the adaptations they have to overcome them.
- **Wednesday, September 20th: Explore the Beach for Moms and Tots - 11:00 am to 12pm, Meet at Parking Lot 1.** For Moms and their little ones. Join the Park Interpreter as we explore plants and animals found on our sandy shore.
- **Thursday, September 21st & Tuesday, September 26th: Beach Vegetation and Drumlin Walk. 11:00 am to 12:00 pm, Meet at Parking Lot 2.** For all ages. Join the Park Interpreter as we explore and compare the plants found on the dunes and up to the top of the drumlin. We will walk up the drumlin trail and find out how the drumlin was made.
- **Wednesday, September 27th (11:00 am to 12:00) & Thursday, September 28th (3:00 pm to 4:00): Beginning Bird-watching, Meet at Parking Lot 2.** For all ages. Join our Park Interpreter for an introduction to the wonderful pastime of bird-watching. Learn how to use basic equipment and skills to identify species. Sandy Point with our plethora of shorebirds, salt-marsh, and migrating birds is the perfect place to practice!
- **Wednesday, September 27th: Beach Zones of Life: 2:00 -3:00 pm, Meet at Parking Lot 1.** For all ages. Join our Park Interpreter as we explore and compare the different plants and animals found from the tide-pools up to the dunes.
- **Thursday, September 28th: Explore Sandy Point for Moms and Tots, 11:00 am-12:00 pm, Meet at Parking Lot 1.** For Moms and their little ones. Join the Park Interpreter as we explore plants and animals found on our sandy shore.
